Executive summary

The project stated in the Description of Actions to carry out annual meetings. Those meetings were on one hand to inform the project consortium about the status of work in the project and on the other hand to make important decisions if required.

The minutes of the meetings are by far too large in file size (due to annexed presentations) to be included in one individual document. Therefore, minutes can be obtained from the Coordinator or the Project Manager on request.

1. Statement

The project stated in the Description of Actions to carry out annual meetings. Those meetings were on one hand to inform the project consortium about the status of work in the project and on the other hand to make important decisions if required.

The annual meetings as well as full consortium meetings took place as follows:

16 to 17 February 2015: Kick-off meeting, Wroclaw, Poland
17 March 2016: Annual meeting in Essen, Germany
03 to 04 November 2016: Full consortium meeting, London, UK
12 April 2017: Annual meeting in Bangor, Wales, UK
06 July 2018: BIOMore final event, Brussels, Belgium

The minutes of the meetings are by far too large in file size (due to annexed presentations) to be included in one individual document. Therefore, minutes can be obtained from the Coordinator or the Project Manager on request.
